**PROPERTY RIGHTS STATEMENT TO DOE AND/OR NASA  
(42 U.S.C. §§ 2182 and 2457) —  
INVENTOR(S) EMPLOYED BY AN ORGANIZATION**

As a below-named inventor, I (we) hereby state that with respect to the invention in the above-identified application:

I (we) hereby state that I (we) made and conceived this invention while employed by The Boeing Company and this invention is related to the work I am (we are) employed to perform and was made within the scope of my (our) employment duties. This invention was made during working hours and with the use of facilities, equipment, materials, funds, information, and services of my (our) employer.

To the best of my (our) knowledge and belief (check (a) and/or (b)):

a. X The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract, or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy (DOE).

EV 317349102 US

--AND/OR--

a. X The invention was not made (conceived or first actually reduced to practice) under, nor is there any relationship of the invention to the performance of any work, under any contract of the National Aeronautics and Space Administration (NASA).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
